

CHRISTMAS LETTER 2019-12-12

from

CACINE-FÖRENINGEN

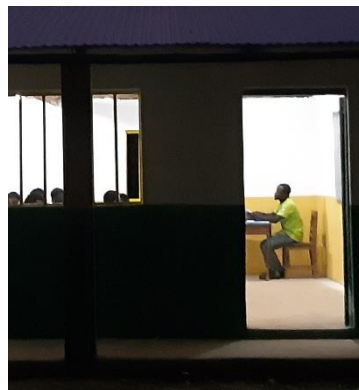

The new school building for year 12 is now ready

Students from year 12

Now, Escola Betel in Cacine is finally complete, with all grades, including year 12. In the autumn, 790 students are enrolled, of which 482 boys and 308 girls, 22 teachers, 3 chefs and 2 who work in the library. The Cacine Association has together with the Swedish-Guinean Association financed the school building and the solar cells.

Thanks to big and small gifts, this has been realized. In addition, the Swedish-Guinean Association in 2019 donated a larger gift for the support of the continuing school work in Cacine. During the year, Valberto received help from both Brazil and Portugal. The radio station "The Voice of Peace" continues to broadcast programs seven days a week. The association has an ambition to help with solar cells for the radio station and IT hall in 2020. We also continue to pay school fees. Four people travel to Cacine in February 2020.

Solar cell lighting outside and inside the new school building. Greetings to you from the preschool class!!!!!!

The headmaster Valberto once again expresses a big THANK YOU for all the support that has come to the activities in Cacine during the year.

Merry
Christmas!
AND
HAPPY NEW YEAR
