Helen, librarian from Canada, was there then. She made sure that all the books arrived in place. A local librarian has been employed and paid for by us. The students can then come by class to study with the help of the books.

taught at the IT school, with the elderly students during the autumn. These received a nice certificate at the end. It is an important knowledge for the students and for the country.

During the year, the association also paid for a new well at the school and a new toilethouse and we also paid for 60 student fees SEK 400/academic year = SEK 24,000. **All thanks to your help!**

During the autumn we have met in Kulla chapel for a Guinea-Bissau evening.

Lots of people who got to see and hear about the last trip. There were dresses and Onjo tea for sale.

We participated in two flea markets during the autumn, one in Pilaboparken and one at Stinsen Arena in Nässjö. One trip is planned for February 2024. Then two will travel down to carry out practical work.

The Cacine association's annual meeting will be held in March 2024.

A big THANK YOU to all of you who have contributed with both large and small gifts. Everything is valuable to be able to make a contribution. Headmaster Valberto once again expresses his big THANK YOU for all the support that has come to the activities in Cacine during the year.
